

TORY COUNCIL CLOSES ILFORD POOL

What happens now?

The Council has brought forward the closure of Ilford Pool on health and safety grounds. Now many school swimming sessions will be axed and thousands of regular users have no local facility.

Labour told the Tory Council that it would have to set aside some money to support displaced swimmers this year but they ignored our warnings.

A New Leisure Centre and Pool?

Most people in this area supported the building of a new Leisure Centre and Pool according to the results of the Redbridge Conversation. Labour presented a 5,000 name petition to the Council. But they have yet to agree to this project.

Not the Tory Way !

The 2006 Tory proposal for a new Centre was an election stunt. They knew that the money to build it just wasn't there unless they sold land. Then, behind closed doors, they tried to sell allotments!

The Labour Way :Sell Land in the North, Not Allotments

After a very long campaign it seems as if Labour members and Councillors, local residents and allotment holders have persuaded the Council not to sell allotments .

Labour says that land and property in other parts of Redbridge should be sold to pay for a new centre.

COUNCILLOR SAYS 'SORT OUT OUR PARK'

COUNCILLOR
AYODHIYA
PARKASH

As your local Labour Councillor I am appalled by the sad and sorry state of South Park. Many of the trees are in poor condition, nothing has yet been done about repairing the tennis courts, maintenance is minimal and generally only amounts to grass cutting, the flower beds are neglected. Now to add to everything the Council announce that they need a contractor to control the Canada Geese probably by shooting them. Many people locally have pointed out that this only means others fly in, and that far more effective control could be achieved by new landscaping around the lake making it less attractive to geese.

Locally there are efforts to start a Park User Group to lobby the Council about this situation. Please let me know if you want to get involved.
